**Term & Conditions:-**

1. Vendor will have to conduct monthly onsite preventive maintenance (PM) to ensure that the device is functioning without defect. No call for PM activity will be logged by FMISC. Upgrades updated and patches by the vender shall be applied as required.
2. In case of software/hardware issue vendor shall reinstall or install the software and hardware and reconfigure the device.
3. Hardware: Vendor will provide replacement of defective spares for all the hardware's covered under Comprehensive AMC.
4. The spare replacement shall be of the equivalent and compatible or accepted by client and of the same or higher configuration.
5. Payment Terms: No advance payment will be admissible. Payment will be made on quarterly basis after the submission of invoice at the end of quarter.
6. Since dust accumulates inside the system (preventing critical components from cooling properly), vender should physically clean the system as well.
7. Period of Contract: The contract will be valid for one year from date of work order. FMISC can terminate the work order by giving one month prior notice to the service provider.
8. Vendor's agreement should be valid for the period of one calendar year. However the actual amount payable will be for the duration of actual contract. i.e. from the date of SLA to the last day of current financial year.
9. Taxes: Taxes (GST) if applicable to be included in the cost. However, the bidder should clearly mention the basic price, tax applicable and total price per unit in the quotation.
10. Clean up all hardware(s), removing any spyware, adware, malware, viruses and general computer "clutter" that accumulates over time and slows down system's performance.
11. The decision of the competent authority will be final and binding.
